Belling Range Cooker Collection Introduction

# Introduction

Choosing the right range cooker is a big decision. After all, it will provide the centrepiece to your kitchen and an untold number of meals. That's why we put over 95 years of knowledge and experience into every Belling range cooker.

We're really proud of our latest range cooker collection – all products are built to the highest possible standards, are available in a wide range of styles and specifications and have an environmentally friendly energy rating. So whatever your taste, there's a mode here for you.

# Glossary

# Features and functions

## Conventional oven

## Easy clean enamel

## 76 litre capacity

A separate grill provides added flexibility when cooking and gives the perfect authentic finish to any dish. A separate grill provides added flexibility when cooking and gives the perfect authentic finish to any dish. A tall, fanned second oven with a huge 76 litre capa a useful feature of some of our 90cm models. Essen when you're entertaining the whole family.

# Slow cook function

## Defrost function

## Oven light

## Warming zone

## Wok burner

# 3-button programmer User-friendly and simple to operate, the 3-button programmer gives you added control.

# Fuel types:

# Dual fuel

# Key features:

## Flame safety device

For added safety, this device is designed to detect if the flame goes out on your hob and will cut off the gas supply immediately.

## Made in Britain

We're one of the only major kitchen appliance manufacturers still committed to manufacturing range cookers in this country - something we're incredibly proud of.

## AA-energy rating

We take our responsibility to the environment very seriously, that's why all our appliances come with an environmentally friendly energy rating.

# Belling Classic Collection

Our traditionally styled Classic Collection has a certain charm that is simply perfect for creating, or complementing, an authentic kitchen. Each range cooker has a classic look and houses a wealth of modern features inside.

Serious cooks will particularly benefit from the 2 ovens featured in the 90cm models; one of which has a very generous 76 litre capacity. This feature comes in handy when you're cooking for the whole family or entertaining.

Belling Contemporary Collection Introduction

# **Belling Contemporary Collection**

The modern cook needs a range cooker that's as pleasing to the eye as it is to use. That's why we created our stunning Contemporary Collection.

Each model has up to the minute styling, neat and crisp lines and a designer edge throughout – right down to the control knobs. Form follows function and the Contemporary Collection's user-friendly features make it the perfect choice for those who just love to cook (and show off). Belling Contemporary Collectior 90cm Range Cookers

Glen Dimplex Home Appliances operate a continual product improvement policy, therefore we reserve the right to change the specifications for any product without notice. All dimensions are approximate. This brochure should not replace the installation manual that gives more detailed information. All cooking appliances featured within the brochure are CE marked as complying with the relevant appliance directives, produced under surveillance to BS EN ISO9000 series. Appliances can become very hot and retain their heat for a long period of time after use. Children should be supervised at all times and should not be allowed to touch the hot surfaces or be in the vicinity when in use or until the appliance has cooled. All technical data is taken under laboratory conditions and may vary in use. Ratings are quoted at 230V (also suitable for 220V and experimentation of the statutory rights of the consumer are not affected. Every reasonable care has been taken to ensure that descriptions in brochures are accurate. However, specifications may change without prior notice. Please contact customer services before ordering. All electrical appliances must be installed by a qualified electrical using suitable electrical connections.
