

# Lec

Pure Refrigeration

It does what it says on the fridge.

At Lec we have developed an inspiring collection of products, offering style, functionality and a range of choice.

By drawing on over 70 years of experience, we've built our collection around your needs. Whether it's capacity and durability for the family home, compact designs for smaller properties, or style and elegance for the modern apartment, there's a Lec product for you.

And now, as winners of the Queen's Award for Enterprise, there has never been a better time to buy from Lec. What's more, all our products now come with 1 year parts and 1 year labour warranty for extra peace of mind.

## Customer Care

Lec's first class customer care service has seen the brand win the much coveted Total Excellence Quality Customer Care award four times. Lec's UK-based customer call centre employs 130 operatives and 200 service engineers.

Our team of experts can be contacted six days a week, our lines are open Monday to Thursday from 8.30am to 5.30pm, Friday from 8.30am to 5.00pm and Saturday from 9.00am to 1.00pm.

### Contact numbers

Customer care  
0844 815 3737

We have a dedicated and highly knowledgeable team of staff who are waiting to take your call.

Spare parts  
0844 815 3745

At Lec we also have a comprehensive stock of spare parts. Speak to a member of our specialist team today.

Trading advice  
0844 248 4149

If you would like trade advice, one of our specialist team members will be more than willing to help.

# Finding Your Perfect Product

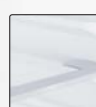

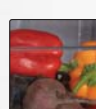

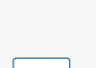

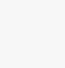

We've made sure we have a range of products to suit all your needs and requirements...

 <p><b>Table top &amp; drinks fridges</b></p> <p>Our versatile range of table top cooling, freezing and drinks fridges can fit anywhere in the home, allowing you to keep chilled food and drinks close to hand.</p>	 <p><b>Under counter fridges &amp; freezers</b></p> <p>50cm or 55cm wide, our under counter larders, fridges and freezers fit perfectly under standard height kitchen worktops.</p>	 <p><b>Chest freezers</b></p> <p>Available in 100, 150, 200, 250 and 300 litre options, ideal for those looking for extra freezer capacity.</p>
 <p><b>Fridge freezers</b></p> <p>Available in 50cm, 55cm and 60cm wide in a variety of heights, we have a fridge freezer to fit every kitchen.</p>	 <p><b>Water through door fridge freezers</b></p> <p>Our water through door dispensers do not require plumbing. Available in white, black and silver, a water reservoir is fitted inside the door so you don't lose valuable fridge space.</p>	 <p><b>Tall larders and freezers</b></p> <p>55cm wide, our tall larders and freezers offer between 6 and 9cu ft (cubic feet) capacity, ideal for those looking for additional cooling or freezing capacity.</p>

## Glossary

Here are some key features to help you choose your perfect product, you'll find more information alongside each individual product.

 <p>Easy grip handles make opening the door easier and can be positioned for left or right hand opening.</p>	 <p>As a responsible manufacturer, we take great care in ensuring our products offer the best possible performance without costing the earth. That's why our fridges and freezers are HFC and CFC free and are A+ rated for energy efficiency.</p>
 <p>Safety glass shelves with adjustable positions and shelf trims, make for a safer user experience.</p>	<p><b>What are HFC and CFC?</b> HFCs (hydro-fluorocarbons) are generally colourless and odourless gases that contribute to the greenhouse effect by absorbing infrared radiation. CFCs (chlorofluorocarbons) are gases that cause damage to the ozone layer in the Earth's atmosphere.</p>
 <p>Spacious, transparent salad drawers offer maximum visibility and greater capacity. They are also designed for easy cleaning.</p>	 <p>4* star freezing is the highest level of freezing performance. Freezers with a 4* rating will freeze food at a temperature of -18°C or below, meaning that the freezer can freeze fresh food and store frozen food for longer.</p>
 <p>Freezer: optimum setting -18°C Fridge thermostat: minimum setting 10°C maximum setting -3°C optimum setting +5°C</p>	 <p>Fast freeze is as simple as it sounds. It reduces the time it takes to freeze items by increasing the freezing power. All Lec products are designed with the environment in mind, so this function still offers a high level of efficiency.</p>  <p>Our frost free technology stops the fridge from icing up, so there is no need to manually defrost. The cooling element heats up for a short period, melting any ice that has formed upon it, which then drains away safely through a duct.</p>

Our entire range is **A+** energy rated

No one does energy saving like Lec

Ladies and gentlemen, **A+ energy rated** refrigeration is here! Allow us to introduce our fantastic range of products that really set the standard.

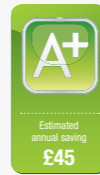

When it comes to our appliances, we concentrate on the things that really matter. Like developing A+ energy rated products, so whether you're chilling butter or joints of beef, you can be sure that your Lec is doing its job in the most efficient way possible. It might not mean a lot to some but to us, keeping your costs down is huge and that's why we're proud to announce that our entire range is now A+ energy rated.

\*Savings differ with each appliance. Based on comparing it to a 6 year old appliance.

# Home Delivery

We are delighted to be able to offer you our new and improved home delivery services that are available as an optional extra when you buy your Lec appliance.

We know how important it is to make sure that every step of your appliance purchase is just perfect so we've developed a service that fits the bill:

We offer quicker delivery times and can deliver to anywhere within the UK, 6 days a week.

We will position and install the appliance in your room of choice.

We offer a service to dispose of your old appliances.

Our team of expert installers will test everything to make sure it's in perfect working order.

Order Day 1 for delivery Day 3. Delivery available to the whole of the UK to most postcodes 6 days a week.

Delivery and installation is available Monday to Friday. Delivery is available to the whole of the UK, followed up with installation by our fleet of national engineers.

Our all-in-one service that includes it all. Delivery, disconnection, installation and removal all in one convenient visit on a choice of days. UK mainland only.

For more information about this service, please speak to your retailer when you buy your Lec appliance.
