YOU MIGHT NOT RECOGNISE US,
WE'VE LOST A
BIT OF WIDTH

The new standard
sized Rangemaster.

Built from experience

60cm Features.

Whatever style of cooking you prefer, Rangemaster cookers offer a unique choice of features to make your life easier, creating perfect results every time.

Clock and timer

Keep an eye on cooking times with the smart LED times with the minute minder. Our all-electric models also feature a programmable main oven.

Rotary controls

The new 60cm collection also comes with scaled-down versions of the much-loved Rangemaster control knobs for ease of use and a professional finish.

Top oven cavity

For flexible cooking, the top cavity houses an oven and grill with two cooking levels, one flat shelf and a grill tray plus handle.

Griddle

The all-gas collection also boasts a half smooth, half ribbed non-stick griddle for sizzling stir-fries, seared salmon, seafood and steaks, or even a weekend fry-up.

Electric hotplate

With six temperature settings, the four-burner ceramic hotplate can be used for everything from low-temperature simmering to flash frying.

Gas hotplate

For a professional look and easy-clean finish, the single-pressed enamelled hotplate can hold a 1-litre spill and features four gas burners with cast iron pan supports.

Oven cleaning

Cleaning the oven is such a chore, so to make life simpler, our 60cm range comes with catalytic liners in the top and bottom cavities.

Oven doors

Each model has its own distinctive door design with a rectangular or arched baker's window to enable you to check the progress of your dish.

the Classic 60cm.

With its arched baker's window and classic styling, this model comes in black or cream, and is also available as an all-gas or all-electric model. The Rangemaster 60cm built-in chimney hood in stainless steel or black is the perfect match.
